REGIONAL DISTRICT KITIMAT-STIKINE

- Suite 300- 4545 Lazelle Ave, Terrace BC, V8G 4E1
Telephone: 250-615-6100 Toll Free: 1-800-663-3208
Fax: 250-635-9222 Email: info@rdks.bc.ca

NEW

Tipping Fees and Contributions

There will be increased tipping fees for everyone and new taxation for Terrace businesses. These new costs reflect realistic financial recovery for services and contribute to solid waste management infrastructure and operations. This is new. In addition to their existing collection fees, City of Terrace residents will notice an increase in costs as they also contribute to local solid waste management facilities and community outreach.

Transition Assistance

There will be ongoing assistance available to help understand where materials and products can be properly diverted and how to facilitate changes at home and work to accommodate the process.

Please contact the Regional District office for further information or if you have any questions regarding these changes.

Recycling and Waste Diversion Directory for Industrial, Commercial & Institutional Producers.

TERRACE AREA Solid Waste Management

But Wait...There's More

Here are a few more products that can be recycled:

CARDBOARD

BLUE BOX

Mixed Paper & Cardboard

Do-Your-Part Recycling - 3467 Hwy 16 E

Plastic & Metal Containers (blue box type materials)

Do-Your-Part Recycling - 3467 Hwy 16 E

Visit: www.doyourpart.ca/ for pricing or call (250) 615-7692.

KITCHEN

Organics

In the near future, businesses will transition to multiple streams such as organics, paper products and printed packaging and 'garbage'. "Organics" includes kitchen scraps and yard waste and currently accounts for about 40% of waste by weight that is currently thrown away. Organics contribute to the production of methane gas, landfill leachate and fill up landfills unnecessarily. *These changes are planned for implementation once the new Compost Facility at Forceman Ridge Waste Management Site is operational.*

OIL

Anti-freeze, Used Oil, Filters & Containers

Multiple drop-off locations available.
For complete list of locations please visit:
<http://www.usedoilrecycling.com/en/bc>
For large volume generators please contact Terrapure Environmental (604) 596-6559.
