

## CREDIT APPLICATION

### Thornhill Transfer Station

### Forceman Ridge Waste Management Facility

With the anticipated opening of the Thornhill Transfer Station and the Forceman Ridge Waste Management Facility all customers requiring credit will need to complete a Credit Application form.

This fall, all accounts for the Thornhill Landfill will no longer be valid. Customers without accounts will be required to pay at the time of delivery of waste by debit or credit card payments only. Cash will not be accepted.

Approved account customers will receive a card containing all account information. This card must be scanned at the time of each delivery and will be assigned to a specific vehicle, using the affiliated license plate number.

Please list all vehicles intended to be used for waste materials delivery to the site to ensure the correct number of cards are issued to you. If you know the type of waste you will be delivering, the card can be set up to default to that waste type, saving you time. If the waste is not pre-set, the waste type will need to be selected at the time of delivery.

#### ***How Do I Apply for an Account?***

You can apply for your account online by completing the [Credit Application](#) then,
