

Introducing the Community Recycling Depot ...

This is a 6-month pilot project which may continue to operate if it is successful. Please help this pilot project succeed by:

- *Ensuring all plastic containers are washed out and paper, newspaper and cardboard products are not soiled.*
- *Help to keep the Depot area clean.*
- *Encourage your friends and neighbours to use this Depot.*

The Depot is located at Kalum and Grieg by the Bottle Depot, and can be accessed 24 hours a day. The Depot is lit for evening use. All bins are labeled and users are asked to please sort recyclables according to the labels on the bins.

If you have any concerns or questions about this Depot please call 250-615-4026.

Thank you to the project partners:

Accepted Materials

Mixed Cardboard Products

Accepted: Cereal boxes, paperboard, packaging cardboard, corrugated cardboard, tetra packs.

All cardboard must be clean and flattened.

Mixed Paper Products
