

Regional District of  
**Kitimat-Stikine**

***Local State of Emergency Order for Area 'C' Rescinded and  
Evacuation Orders Rescind for all of Old Remo and Usk***

**Flood Update**

The Kalum, Zymacord, and Skeena Rivers continue to recede, due to this, **the Local State Of Emergency Order for Area 'C' is rescinded and Evacuation Orders have been rescinded for all of Old Remo and Usk** (see Evacuation Rescinds and maps attached). The RDKS will continue to monitor the rivers and river forecast centre.

As the **Provincial River Forecast Centre** is maintaining a flood watch for the Skeena Rivers the Evacuation Alert from June 2<sup>nd</sup> remains for Dutch Valley. New Remo, Old Remo, and Usk are now on Evacuation Alert only.

See RDKS State of Local Emergency, Orders and Alerts and Rescinds:

[https://www.rdks.bc.ca/government/news/flooding\\_events\\_2022](https://www.rdks.bc.ca/government/news/flooding_events_2022).

**Emergency Support Services:**

Currently the Emergency Support Services (ESS) Reception Centre that was located at the Thornhill Community Center, is **closed**. You can call the ESS contact number 24 hours/7 days a week and leave a message at 250-641-2443.

**If your area's Evacuation Order is rescinded:**

Please return home as soon as possible to secure your property. Security will remain in Old Remo until this evening.

At this time residents and businesses in areas which have experienced flooding should consult [Recovering after a flood - Province of British Columbia \(gov.bc.ca\)](https://www2.gov.bc.ca/assets/gov/health/keeping-bc-healthy-safe/health-emergency-response/sewage_systems_and_flooding.pdf). Remember that a well may become contaminated during a flood. Contact your local health authority for information about testing your drinking water if you are on a well or a private surface water system. Do not drink the water until it has been tested and is safe. Please contact a Health Protection Officer at 250-565-7322. As well please see this provincial government document regarding sewage systems and flooding: [https://www2.gov.bc.ca/assets/gov/health/keeping-bc-healthy-safe/health-emergency-response/sewage\\_systems\\_and\\_flooding.pdf](https://www2.gov.bc.ca/assets/gov/health/keeping-bc-healthy-safe/health-emergency-response/sewage_systems_and_flooding.pdf)

The Regional District will provide updates, information, and resources on local radio stations, our website [https://www.rdks.bc.ca/government/news/flooding\\_events\\_2022](https://www.rdks.bc.ca/government/news/flooding_events_2022) and social media pages. Our next planned update will be June 13, 2022.
